Yateley School 2024 GCSE results

All the hard work, determination and effort has paid off for Yateley School students who are celebrating excellent GCSE results that will take them forward with confidence to the next stage in their education and training. We are delighted to celebrate with our Year 11 students who through sheer hard work, tenacity and admirable ambition, have been rewarded with results that reflect their hard work and commitment throughout their courses. Importantly, these are door opening qualifications that pave the way for success and opportunity in the future, be that in our Sixth Form or elsewhere. We wish all our students well and congratulate them on their achievement.

We were delighted to see such strong results across the cohort, with top-scoring student Leo Alberici achieving eight Grade 9s and two Grade 8s! Leo was joined by Eilidh Hooper and Harry Brown, who both achieved eight Grade 9s, as well as a Grade 7 and a Grade 8. Other high performers, including Madison Hayes, Daisy Hurst, Madeline Alexander, and Abdalla Ali, achieved a combined total of 72 grades between 7-9, with a phenomenal 35 of them at Grade 9!

At the subject level, there was outstanding achievement in Mathematics, Physics, Geography, History, Computer Science, Religious Studies, Graphics, Dance, Music and Food Technology.

Headteacher Paul German praised the outstanding dedication, talent, and hard work of the staff, students, and parents at Yateley School. "Today is about celebrating our students, and I couldn't be more proud," he said. "While exam grades are just one measure of success in life, they reflect the fantastic ambition and determination of our students, who have excelled and maintained their positive spirit throughout." He added, "We couldn't be prouder of the well-rounded,
