

# Year 8 Masterclass Videos

## Section 1: Core Subjects

Welcome to our Year 8 Masterclass video library! These resources are here to support your ongoing journey in Year 8 at Yateley School. Remember, your teachers are always available to assist you. If there's anything in the videos that puzzles you or if you're curious to learn more about a topic, feel free to ask during your lessons!

### Core Subjects: Video Library

#### English

## Section 2: Non-Core Subjects

Our non-core subjects are where students get to explore other passions and delve into other subjects that they may choose to take all the way through to GCSE study... take a look below at how to become a subject expert!

## Section 3: Your View Matters!

As you can hopefully see, we have taken a significant amount of time to create these Masterclass Videos for parents and students. We would really love your feedback if you could spare a moment, by completing a very short survey.

### Parent and Student Survey
