

# Year 9 Masterclass Videos

## Section 1: Core Subjects

Welcome to the Year 9 Masterclass Videos Page! We invite you to view these core subject videos to support your start to GCSEs. Science is presented as one video, but the content applies to Combined Science and Triple Science, regardless of which you study.

### Core Subjects: Video Library

**English**

CORE Literature and Language: **Video [HERE](#)**

**Maths**

CORE Mathematics: **Video [HERE](#)**

**Science**

CORE - Science: **Video [HERE](#)**

## Section 2: Option Subjects

Option subjects are different from student-to-student, so you can select the videos below that relate to the courses you have chosen. These videos will support you in progressing in the subject and getting you GCSE-ready!

### Option Subjects: Video Library

3D Product Design: **Video [HERE](#)**

Art and Design: **Video [HERE](#)**

Graphics: **Video [HERE](#)**

History: **Video [HERE](#)**

Modern Foreign Languages: **Video [HERE](#)**

Music: **Video [HERE](#)**

NCFE Childcare: **Video [HERE](#)**

Physical Education: **Video [HERE](#)**

Religious Studies: **Video [HERE](#)**

## Section 3: Your View Matters!

As you can hopefully see, we have taken a huge amount of time to create these Masterclass Videos for parents and students. We would really love your feedback if you could spare a moment, by completing a very short survey.

### Parent and Student Survey
